### **What we can offer:**

We have a dedicated Youth Information Marketplace for organisations who work with young people in Dumfries and Galloway. This is an exciting opportunity to showcase your work and promote services to 40,000 people over the festival weekend with over 30,000 of attendees coming from across Dumfries & Galloway.

This year, our marketplace will feature organisations housed together under one Marquee tent.

These spaces are open for you to use as you require and we would encourage participating organisations to be creative, (think outside the box) and develop innovative ways to engage with festival go-ers, especially young people. We suggest incorporating more interactive activities alongside traditional printed materials to create a more dynamic and engaging experience for all.
